Product Description

Turn your laptop into a desktop in one simple step with the Kensington Universal Docking Station with Video sd300v. Simply plug a single USB cable into your laptop, add power and you are instantly comfortable and connected to a high-resolution monitor, printer, speakers-- everything you need. There's no more plugging and unplugging your peripherals; they remain connected to the docking station.

Features

- Universal compatibility with all brands of laptops via USB: Acer®, Asus®, Compaq®, Dell®, Gateway®, HP®, IBM®, Lenovo®, Sony®, Toshiba® and more
- HD screen capable so you can connect to a very large external monitor and drastically increase your visual workspace. Front Dualview button makes dual screen setup easy
- Plug-n-play and hot pluggable, so you can connect to the dock and swap devices without shutting down
- Connect to your high-resolution monitor, printer, keyboard and mouse, external hard drive and more from your laptop
- "Always-on" USB ports charges your mobile devices even when your laptop is shut down
- Front Audio ports and back speaker port lets you connect both 2.1 stereo speakers and internet chat headset
- Mini tower design reduces desktop footprint. Security slot allows you to secure your dock and its connected peripherals (via security cable and cablesaver)
- Docking station will not provide power to your laptop, but provide connectivity to peripherals via a single USB cable

Specifications

- **Compatibility** Vista, Windows 7, XP, Windows 8, Windows 8.1
- **Connections** Mic In, Stereo Out, DVI > VGA Adapter, VGA Out, DVI In
- **Features** Kensington Security Slot
